NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Although for the most part I thought the Pipers played a better game Friday night against Clyde than they did the week before against Winters they are still looking for their first win of the young season. While the score was more one-sided in Clyde's favor, the Pipers showed a more consistent offense.

Being a young club they are plagued with mistakes but what seems to be their major problem is that because they are a young club they seem to lose their poise when they make these mistakes. What they seem to need most of all is a strong take-charge leader that can fire them up after a let down and get them back into the ballgame.

But I will say one thing for the boys on the field they seem to hold on to their poise better than some of their fans sitting up in the stands. After listening to some of the noise coming out of the stands I wonder sometimes if our boys' worst enemies aren't sitting in our stands rather than across the line from them.

We need fans who will holler encouragement to our team—not these people that spend the entire game running down the boys and the coaches. I think that everyone would be better off if these people would just stay home and throw things at their TV sets on Saturday and Sunday.

As is to be expected, especially after a loss, Hamlin has its share of Saturday morning quarterbacks. Those who, well meaningly, wonder why we didn't do this or didn't do that. But what I don't understand is that you never see them at Booster Club meetings where their questions can be answered by the only people who can have the answers, the coaches. This is part of what Booster Club is all about but we seem to have very few who are interested enough to try to find out the answers to their questions.

Hopefully our team can put it all together here Friday night against Childress and mark up that first win. More than anything else these kids need confidence in themselves and nothing will give them this quite like a win.

I would like to see them get out there and forget about the scoreboard and just play the game the best they know how and play it for the real purpose it is intended — for fun.

And as for the fans I just hope that if they cannot find something good to say, both to the team and to the coaches, they will just shut up.

Do you ever feel overworked, underleisured, underbenefitted? Take heart. This office staff notice was found recently in the ruins of a London office building. It was dated 1852. The article was taken from the Electric Times, a publication of the West Texas Utilities Co.

Office Staff Practice

1. Godliness, cleanliness, and punctuality are the necessities of a good business.

2. This firm has reduced the hours of work, and the clerical staff will now only have to be present between the hours of 7 a.m. and 6 p.m. weekdays.

3. Daily prayers will be held each morning in the main office. The clerical staff will be present.

4. Clothing must be of a sober nature. The clerical staff will not disport themselves in raiment of bright colors, nor will they wear hose unless in good repair.

5. Overshoes and topcoats may not be worn in the office, but neck scarves and headwear may be worn in inclement weather.

6. A stove is provided for the benefit of the clerical staff. Coal and wood must be kept in the locker. It is recommended that each member of the

\$150,000 Sewer Bond Election Called

The Hamlin City Council voted Tuesday evening to call a \$150,000 bond election for the purpose of improving and extending the city's sewer system. The election will be held Saturday, Oct. 9, in the City Hall Building.

The bond election has been called to finance a sewage treatment plant to meet the requirements of the Texas Water Quality Control Board, the Texas Department of Health and the Federal Water Pollution Control Administration.

The \$150,000 issue would be general obligation sewer system bonds and would be paid for by the recently passed increase in sewer fees. No increase in taxes would be needed to meet the bond payments.

All registered qualified voters living within the City limits of Hamlin on the day of election will be eligible to vote in the election. To meet the requirements of a ruling by the Texas Attorney General there will be two ballot boxes, one for

property owners and one for non-property owners.

About \$100,000 of the 15 year bonds will be used for the sewage treatment plant with the balance of the issue available for other sewer improvements if needed or required by the state or federal government.

The treatment plant is expected to cost \$145,000 with the federal government furnishing approximately \$80,000 of this in the form of a grant. To meet the

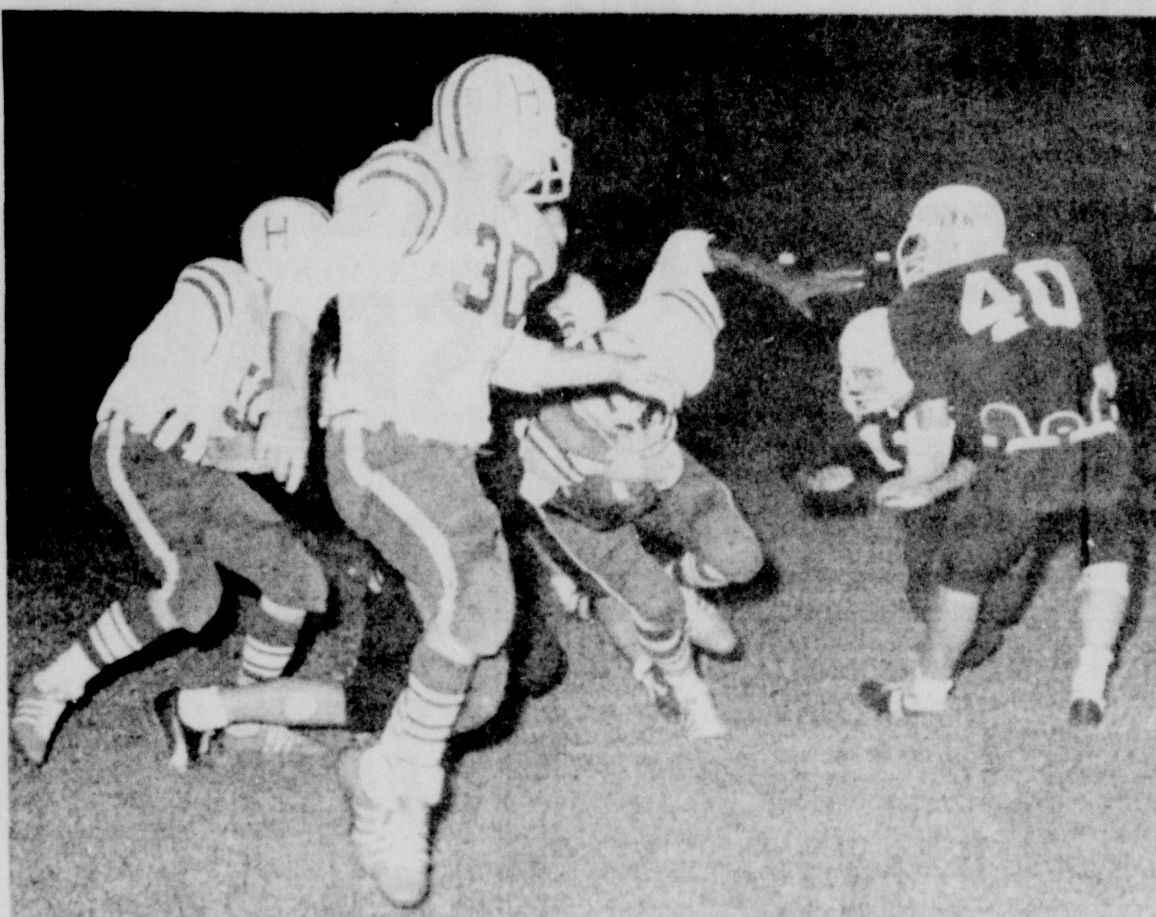

requirements of this federal grant, \$36,000 of the bonds would be offered for sale to the State of Texas Water Quality Board. No state or federal monies are available for the purchase of land for the plant which is expected to cost approximately \$35,000.

It was pointed out by members of the council that the city did not have much choice in calling the election because the state is requiring that the new plant be built. If the voters turn

down the bond issue the city will have to seek some other method of financing the project which would be more expensive than bonds.

Absentee voting in the election will get underway Friday, Sept. 24 and end Tuesday, Oct. 5.

Yeatts and Decker, Inc., Consulting Engineers of Abilene are engineers on the project and the First Southwest Co. of Lubbock are bond consultants for the city.

TOUCHDOWN — Quarterback Milton Jones carries the ball five yards for a touchdown against Clyde Friday evening. Leading the way is Fullback Barry McDonald (30). The five yard carry by Jones climaxed a 73 yard drive by the Pipers to put them out in front, 6-0. The Bulldogs came back to win 28-6. (Photo by Tim Jones)

Pipers to Host Tough Childress Team Friday

The Pied Pipers will be playing at home again this week as they host a tough Childress Bobcat team that has been picked by some to win their district. The Bobcats will be going into the game with a 1-1 record while the Pipers will still be looking for their first win.

The Bobcats defeated Paducah last week, 34-0, after losing their opener to Clarendon, 41-19. The Bobcats lost the ball eight times on fumbles in their opening loss.

After reviewing the game film of the Hamlin-Clyde game at Booster Club meeting here Monday evening it seemed to be the general consensus of those present that the Pipers played a much better game against Clyde than most had thought after the game Friday.

Coach Deane Wright told the boosters that the Pipers moved the ball much better against Clyde than they did against Winters the week before but

that they just made too many mistakes—both on offense and defense.

Scouting reports on Childress indicate that they have a large ball club with above average speed. They will average about 170-pounds in the line and have good, strong runners in the backfield.

Their quarterback, Turk Nelson, a 151-pound junior, throws the ball well and is especially effective on the rollout, scoring twice against Paducah with it. Top running back for Childress is Larry Johnson, a 161-pound junior halfback, who is a strong runner and has good speed. He is the

only back still in the lineup from last year. He carried the ball 15 times against Hamlin last year for 68 yards.

At fullback will be David Bradford, a 174-pound senior, who also is a hard runner. The favorite Bobcat receiver is slot or wingback Jerry Neal, a 147-pound junior.

Davis Weaver Named To Receive Top FFA Award

Davis Weaver, a sophomore agricultural education major at Tarleton State College and graduate of Hamlin High School, has been nominated to receive the American Farmer Degree, highest degree presented by the National Future Farmers of America organization.

He was nominated for the degree by the Texas FFA Association and the nomination was approved by the National FFA Board of Directors in a recent meeting held in Washington, D. C.

Davis was one of 470 FFA members nominated to receive the American Farmer Degree which will be presented at the National FFA Convention in Kansas City. The presentation will be made Thursday, Oct. 14, pending a final vote of approval by 113 student delegates who represent FFA members in convention business sessions.

He earned the American Farmer Degree on the basis of his supervised farming program and his participation in activities of the Hamlin FFA Chapter. His program has included breeding beef cattle, breeding and feeding swine, cotton, wheat and milo. He was

SUPPORT SOUGHT—

Closing of Hospital Threatened Jan. 1

In a prepared statement issued Wednesday morning the three Hamlin doctors who operate the Hamlin Memorial Hospital announced plans to close the local hospital January 1 unless some means of outside financing is found. A recent audit by Medicare claims to have overpaid the local hospital \$84,500 during the past four years.

Yule Promotion Committee Seeks Ideas for Program

C. L. Howard, chairman of Christmas Promotion of the Retail Trade Committee, is asking the help of all the Board of Community Development membership in suggesting ideas for a good Christmas program for Hamlin this season.

Howard was named to head the promotion by Retail Trade Development Committee Chairman Charles Reed.

The Committee is in the process of planning the project suggestions. Other ideas are needed, Howard said, before the committee starts definite plans.

Anyone with suggestions should relay them to Mrs. L. C. Bonds, secretary, at the office by phone, by letter or in person, he said. These need to be turned in by Tuesday, Howard stressed.

Citing Medicare as the problem, the three doctors say that they cannot continue to operate the hospital without taxpayer contributions. This would mean forming a hospital district or some other taxing authority taking over and operating the local hospital.

The three doctors, Dr. E. J. Hawkins, Dr. M. L. Smith and Dr. E. D. Perrin, have operated the hospital for 23 years.

The prepared statement submitted by the doctors follows:

Medicare Auditors have finally audited the hospital books. This is the first audit since origination of Medicare, except for a trial audit over the first two months of operation. This audit covers 4 years, 1967 through 1970. It does not include 1971. The Medicare patients in Hamlin Hospital vary from 50 to 52 percent total bed occupancy. Each year we have repeatedly requested and even demanded the audit. We even threatened to contact Omar Burleson in an effort to get an audit so we could determine our financial status;

and we were repeatedly denied an audit of our books.

Medicare will pay only the exact cost of hospital costs allocated to each Medicare patient, even though this does not reflect the true costs entailed in operating the hospital. Medicare informed us last week that it has overpaid \$84,500.00 to Hamlin Hospital during the 4 years audited. This does not yet include any figures for 1971. All of this money has been spent to operate Hamlin Hospital. To date there are approximately \$20,000.00 of current bills outstanding.

We three doctors have maintained operation of Hamlin Hospital without outside help for 23 years. We assumed a large debt on the hospital, paid off this debt, and then enlarged the hospital twice. All of this has been paid off fully. Now, Medicare has bankrupted the hospital. We cannot continue to operate the hospital without taxpayer contributions.

We three doctors have agreed to contribute enough of our personal income to maintain operation of Hamlin Hospital Management, Inc. until January 1, 1972. If no outside organization will take over operation of the hospital, by that time, the doors will be closed.

789 Shots Given During Free Clinic

Mrs. W. W. Wallace, school nurse, reported that 789 immunizations were given to Hamlin youngsters during the free clinic held here Monday.

The Hamlin Elementary Parent-Teachers Association assisted in registering the students at the clinic.

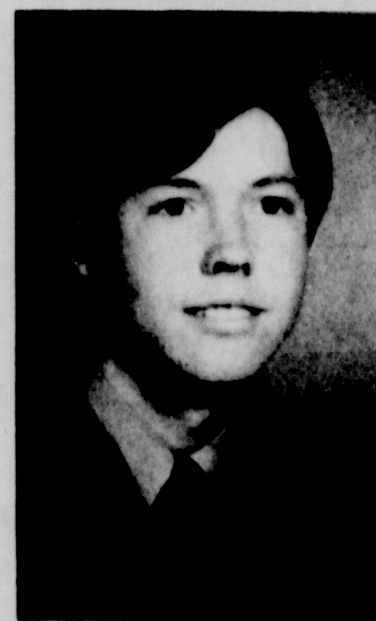

Second Sidewalk Sale, Flea Market Set Oct. 2

A second big Sidewalk Sale and Flea Market is being planned for downtown Hamlin by the Retail Trade Committee of the Hamlin BCD, according to Charles Reed, chairman. The sale will be held all day Saturday, Oct. 2.

Joe Cortez has been named chairman for this big event and he has issued a special invitation for everyone in the area to bring their unwanted goods to town that day and take part in the gigantic garage sale. Local merchants will join in and have many bargains out on the sidewalk for the special sale.

Cortez said that he hopes more people will take advantage of the Flea Market this time and bring their goods to town for the big sale. Efforts will be made by the merchants to help individuals set up their booths around town in front of the vacant buildings, the vacant lots and on the sidewalks.

Cortez said that members of his committee, Frank Shearer and Roger Bell, will be available during the day to assist in setting up the booths and finding places for everyone during the big sale.

Crouch-Briscoe Vows Read Here Saturday

Marriage vows were read here Saturday evening in First Baptist Church for Janice Diane Crouch, daughter of Mr. and Mrs. C. A. Crouch, and Bobby Dale Briscoe, son of Mr. and Mrs. Von Dale Briscoe of Sweetwater.

Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated. Music was presented by Mrs. Lynn Mink, organist, and Mrs. Robert Moore, soloist.

Presented in marriage by her father, the bride wore an empire gown of peau de soie with daisy lace at the Victorian neckline, on the deep cuffs and outlining the chapel train. Her headpiece of daisy lace and seed pearls held her veil of illusion. She carried a bouquet of yellow roses.

Maid of honor was Jan Young. Connie Lynn Weatherman of Abilene was bridesmaid. They wore dresses of organdy over yellow satin and carried long stemmed yellow roses.

Don Suggs of Sweetwater was best man. Groomsman was Ben Monroe, also of Sweetwater.

Ushers were Derrell Weatherman of Abilene, Sonny Gardner and Johnny Briscoe, both of Sweetwater.

Dee Dee Eaton, niece of the bride, was flower girl. Richard Eaton, nephew of the bride was ring bearer.

The reception was held in Fellowship Hall, hosted by the bride's parents.

After a wedding trip to Dallas the couple will live at 306 Pine St. Apt. 3, in Sweetwater.

The bride is a graduate of Hamlin High School and attended Angelo State University. She is employed in the inhalation therapy department at Simmons Hospital in Sweetwater.

The bridegroom, a graduate of Sweetwater High School, is employed by A and R Oil Company in Sweetwater.

present. The club president from all member clubs and a representative from each club will be expected to attend.

Literary Club Holds Meeting

The members of the Woman's Literary Club met in a called business session Thursday in the home of Mrs. Donald Young, president.

Mmes. Ben Turner, Guy Weaver and Johnnie Williams were elected to membership.

The year's activities will begin Oct. 1, with a luncheon at Hamlin Restaurant.

MARRIAGE ANNOUNCED — Mr. and Mrs. G. L. Adair announce the marriage of their daughter, Judy Bob, to Cleon Warner, son of Mr. and Mrs. J. L. Warner. The couple married Sept. 13 in Anson and are living at 1501 Sayles Blvd. in Abilene where he is employed by West Texas Utilities Company.

INDIAN SQUASH — Mrs. Tex (Ovenia) Moore, 431 S. W. Fourth, shows an Indian squash that measures 51 inches long and is 13 inches around. The squash was the largest of the season.

Young Homemakers Meet To Form Organization

Plans for a get-acquainted Salad Supper to be held Monday, Sept. 27 at 7 p.m. in the Foods Lab of Hamlin High School Homemaking Department were made Tuesday evening at a meeting to organize a Young Homemakers chapter in Hamlin.

Free baby sitting will be provided and a fashion show will be presented by some of the members.

All prospective members are invited to attend and are asked to bring a salad.

Mrs. Kay Taylor, who will serve as advisor for the group, presented an explanation concerning Young Homemakers: What is it? What are its purposes and objectives? Who may join? What are the symbols of the organization? Assisting her were Mrs. Larry McCoy, Mrs. Robert Moore, and Mrs. Dan Newberry.

Mary Jo Pope, a former YH member, presented an account of activities in which her chapter had participated. In 1966-67, the Fisher County YH Chapter was named the Outstanding New Chapter in Area II. Mary Jo was an officer and active participant in the chapter that year, so she had many interesting things to share, including an outstanding yearbook. A question and answer session followed her presentation.

After adjournment for refreshments and informal discussion, the group reconvened and voted to organize a chapter.

Club to Serve Coffee, Donuts To Ex-students

The Hamlin Business and Professional Women's Club will serve coffee and donuts on Saturday, Oct. 9, during the Hamlin Homecoming for ex-students and teachers of Hamlin High School.

The serving will be in the office of the Hamlin Board of Community Development in cooperation with the secretary, Mrs. L. C. (Peggy) Bonds.

All ex-students and teachers are invited to drop in for coffee and visiting.

Mrs. B. McKissack Hosts Beta Theta Meeting Sept. 15

Beta Theta Chapter of Beta Sigma Phi met Sept. 15 in the home of Mrs. Bob McKissack for a program on "Painting the Person" presented by Mrs. Scotty Knox.

Mrs. Ken Prewit, president, presided.

The group decided to sponsor a float in the Homecoming parade and Mmes. O. H. Weaver Jr., John Ferguson Jr. and Knox were named to be in charge of the project.

Mrs. Pinky Sellers, who moved to Sweetwater, was presented a silver charm as a farewell gift.

Secret Sisters of the Club members were revealed with the presentation of gifts. Secret Sisters are revealed at the beginning of each new club year, then new ones are drawn.

Others present were Mmes. Jerry Smith, Cecil Sellers, Parker Kelley, J. E. Harrison, Sam Mack Hodges, Mac Sellers, Johnny Jeffrey, Jack Willingham, Joe E. Ford, Larry McGraw of Stamford and Leldon Clifton, sponsor.

A Mexican Fiesta for the club members will be held Oct. 15 in the home of Mrs. Joe E. Ford.

vocational agriculture instructors and FFA advisors are T. C. Blankinship and Milburn Wink.

The American Farmer Degree is a highly coveted award because it is presented to only one tenth of one percent of the total 427,000 FFA members. It is presented only by the National FFA Organization of the FFA to members who have demonstrated exceptional agricultural and leadership ability.

Each American Farmer Degree recipient will be presented a gold key and certificate by the National FFA Organization. Recipients who attend the convention will also be presented a check from the National FFA Foundation to help pay their travel expenses.

To qualify for the American Farmer Degree FFA members must have advanced through a system of degrees unique to the FFA organization. FFA members begin as Greenhands and after one year of membership may be advanced by the local chapter to the degree of "Chapter Farmer." The third degree, that of "State Farmer," is presented by the State FFA Association is limited to no more than two percent of the State's FFA membership in any one year. Only students who have earned the State Farmer Degree are eligible for the American Farmer Degree.

The National FFA Convention is an annual event of the Future Farmers of America and is carried out in cooperation with the U. S. Office of Education, of the Department of Health, Education, and Welfare. This year over 12,000 FFA members, vocational agriculture teachers, parents and guests are expected to take part in the 44th National FFA Convention.

comes up with a new proposal this week.

Dear editor:

It is now pretty well established, at least in the minds of newspaper and magazine columnists I've been reading, that the United States has lost a lot of its prestige around the world, so much so for example that Paris airlines last week began refusing to take U. S. dollars for plane tickets.

This has a lot of people worried, excusing me, as I don't ever remember waking up and wondering what my prestige was that day in the capitals of the world although I have a pretty good notion what it is across my neighbor's fence. I'll return his hoe just as soon as I find out which patch of weeds it is that has grown up around it.

None the less, a lot of leaders are saying we've got to do something about our world standing, we've got to restore our image as the world's most prosperous nation.

They couldn't be wrong.

The thing for us to do is to go all out encouraging the notion we're hard up. Paint the picture black and bleak. Why just last night I read that the Chancellor of Austria, reviewing the balance of payments difficulties the United States is having, said "the time has come for European nations to remember the generous help given them by the U. S. after World War II and repay part of their debt."

I've forgotten how many billions of dollars we loaned them, but if we've now convinced them we're in such bad shape they ought to start repaying at least part of it, we're on the right track. Let's fan that fire from all directions. Tell our diplomats abroad to start wearing rumpled suits and carrying their lunches in paper sacks. Have their wives dress in last year's clothes and run ads offering to do baby sitting. Have foreign visitors come by here and see the loose boards on my front porch and go

on to Washington to examine the national debt. Get the power company to turn off the electricity in the U. S. Capitol and put out the word it was for failure to pay the bill. Then hit Europe up for a loan to get us back on our feet.

This is an opportunity too good to miss.

Speaking of balance of payments, I don't quite understand it on the world level but I know what it is on the local level. It means fourteen more payments and that television set is yours.

Yours faithfully,
J. A.

NOTICE OF ELECTION
THE STATE OF TEXAS:
COUNTIES OF JONES AND FISHER:

CITY OF HAMLIN:

To the resident, qualified electors of said city who own taxable property in said city and who have duly rendered the same for taxation, and to all other resident, qualified electors of said city:

Take notice that an election will be held in said city as provided in an ordinance calling an election duly passed by the City Council of said city, which ordinance is substantially as follows:

ORDINANCE
CALLING AN ELECTION

THE STATE OF TEXAS:
COUNTIES OF JONES AND FISHER:
CITY OF HAMLIN

WHEREAS, it is deemed necessary and advisable to call the election hereinafter ordered; and

WHEREAS, it is hereby officially found and determined: that a case of emergency or urgent public necessity exists which requires the holding of the meeting at which this Ordinance is passed, such emergency or urgent public necessity being that the proceeds from the sale of the proposed bonds are required as soon as possible and without delay for necessary and urgently needed public improvements; and that said meeting was open to the public, and public notice of the time, place, and purpose of said meeting was given, all as

required by Vernon's Ann. Civ. St. Article 6252 - 17, as amended;

THEREFORE, Be it ordained by the City Council of the city of Hamlin, Texas:

1. That an election shall be held on OCTOBER 9, 1971 in said City at the following designated polling place: CITY HALL

Said City shall constitute a single election precinct for said election, and the following election officers are hereby appointed to hold said election: Presiding Judge: A. B. Carlton,

Alternate Presiding Judge: Frankie W. Cassle.

2. That the Presiding Judge shall appoint not less than four qualified election clerks to serve and assist in conducting said election; provided that if the Presiding Judge actually serves as expected, the Alternate Presiding Judge shall be one of such clerks.

3. That by approving and signing this Ordinance the Mayor of said City officially confirms his appointment of the aforesaid election officers to serve at said election; and by passing this Ordinance the governing body of said City approves and concurs in the appointment of the aforesaid election officers.

4. That said election shall be held and conducted in effect as two separate but simultaneous elections, to-wit: one election at which only the resident, qualified electors who own taxable property in the City and

who have duly rendered the same for taxation shall be entitled to vote, and another election at which all other resident, qualified electors of the City shall be entitled to vote. The votes cast at each of said separate but simultaneous elections shall be recorded, returned, and canvassed separately. It is hereby declared that the purpose of holding the election in such manner is to ascertain arithmetically, with respect to a submitted PROPOSITION, (a) the aggregate votes cast at the election for and against the PROPOSITION by resident, qualified electors of the City, and also (b) the aggregate votes cast at the election for and against the PROPOSITION by resident, qualified electors who own taxable property in the City and who have duly rendered the same for taxation. Each elector shall be entitled to vote once, in accordance with the provisions of this Ordinance.

5. That notice of said election shall be given by posting a substantial copy of this Ordinance at the City Hall and at two other places in said City, not less than 15 days prior to the date set for said election; and a substantial copy of this Ordinance also shall be published on the same day in each of two successive weeks in a newspaper of general circulation published in said City, the date of the first publication to be not less than 14 days prior to the date set for said election.

6. That at said election the following PROPOSITION shall be submitted in accordance with law:

PROPOSITION

Shall the City Council of said City be authorized to issue the bonds of said City, in one or more series or issues, in the aggregate principal amount of \$150,000, with the bonds of each such series or issue, respectively, to mature serially within not to exceed 25 years from their date, and to be sold at such prices and bear interest at such rates as shall be determined within the discretion of the City Council, for the purpose of improving and extending said City's Sewer System; and shall said City Council be authorized to levy and cause to be assessed and collected annual ad valorem taxes in an amount sufficient to pay the annual interest on said bonds and provide a sinking fund to pay said bonds at maturity?

7. That the official ballots for said election shall be prepared in accordance with the Texas Election Code, so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid PROPOSITION, which shall be set forth in substantially the following form, to-wit:

PROPOSITION
FOR
AGAINST
THE ISSUANCE OF \$150,000 OF SEWER SYSTEM BONDS

The deepest principle in human nature is the craving to be appreciated.

For the price of a new Skylark 350 you can own a Buick.

You'll find Buick's Skylark in a price class you're very used to. But with a lot of things that might be very new to you.

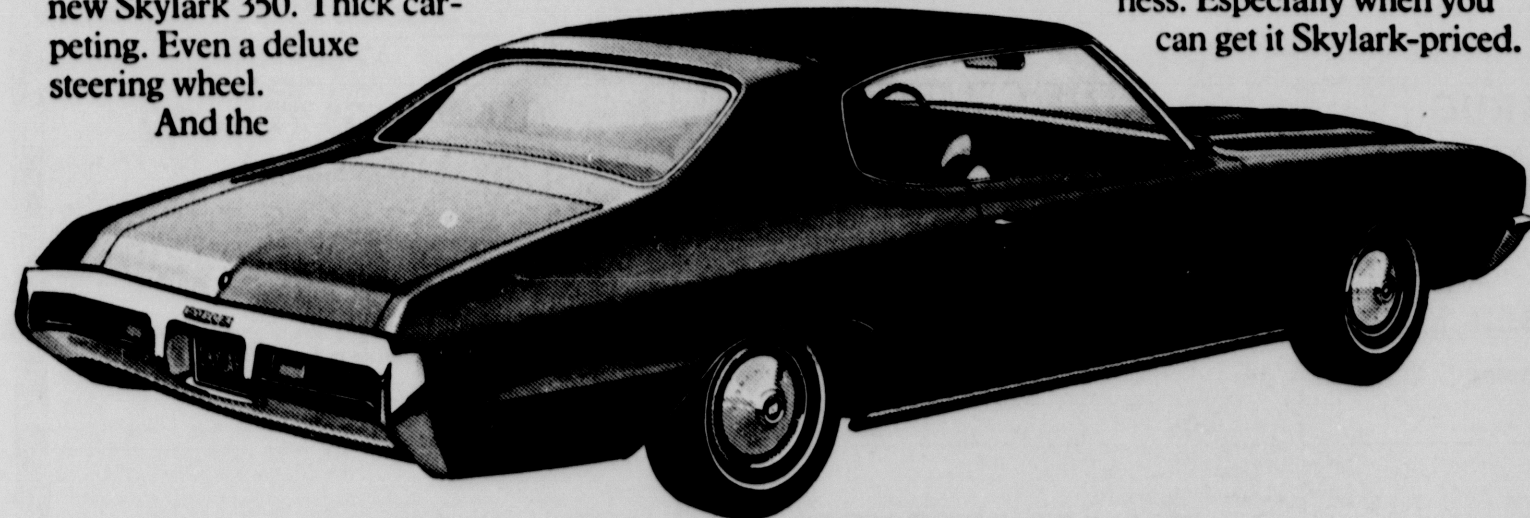

Like Buick comfort. The rich cloth seats standard in our new Skylark 350. Thick carpeting. Even a deluxe steering wheel. And the

Buick ride. Smooth and quiet.

Plus Buick engineering and performance. A standard 350-cubic-inch V8 that's responsive, yet economical. With Buick technical advances like

nickel-plated engine exhaust valves and a semi-closed cooling system.

This year, perhaps more than ever before, you ought to consider getting all this Buickness. Especially when you can get it Skylark-priced.

Mistakes Costly As Pipers Fall to Clyde Friday, 28-6

The Pied Pipers opened up strong against the Clyde Bulldogs Friday evening but then fell to pieces after a few costly mistakes to get beat 28-6. The Pipers opened the scoring with a 73 yard touchdown drive only to have Clyde score four times in the final three periods of play.

The turning point in the game came in the second period when the Pipers failed to drive in for their second score after the Bulldogs got on the scoreboard following a recovered fumble. This was the last serious threat by the Pipers until the waning moments of the game when they drove to the Clyde five yard line.

Three lost fumbles and a pass interception proved costly to the Pipers as they lost their momentum, both on offense and on defense.

Clyde scored on drives of 36 yards, 72 yards, 65 yards, and 22 yards.

Halfback Johnny Jones was top ground gainer of the evening with 74 yards in 16 carries for a 4.6 average. He was followed by Gary Barr and Craig Loper for Clyde with Barr carrying 14 times for 70 yards and Loper 14 times for 64 yards. Fullback Barry McDonald carried 15 times for 49 yards with a 3.6 average.

Hamlin kicked off to Clyde to open the game. The bulldogs returned the kickoff to their 33 and moved out to the Hamlin 47 before punting.

The Pipers started their drive on their own 27 with Johnny Jones picking up four yards and McDonald adding seven more for the first down. McDonald carried twice for one and four yards and then Milton Jones threw a screen pass to Johnny who picked up 23 yards and a first down at the Clyde 34. Johnny picked up another first down with a 13 yard gain. David Willis gained 13 more for a first down at the Clyde six. McDonald carried to the two.

Joe Mayes returned the kickoff back 25 yards to the Hamlin 42 yard line. But three plays later the Pipers lost their second fumble of the night at their own 43. The half ended with Clyde on the Hamlin 33 yard line.

Willis returned the half kickoff back 13 yards to the Hamlin 38. McDonald picked up a first down at the Clyde 49 with a three yard gain following a

Milton was dropped for a three yard loss and then carried over his left tackle for the five yards and the score. Kenneth King's try for the point after was blocked.

Clyde returned the kickoff back to midfield but after three plays and a 15 yard penalty were forced to punt from their own 34. Milton took the punt at his own 25 and returned it to the 36 only to fumble with Clyde recovering.

It took Clyde eight plays to cover the 36 yards with Quarterback Jackie Fleming going the final five yards for the score. With Clyde drawing a penalty and then Hamlin it took three tries to get the point after on the books with Loper carrying in for the two points.

Johnny returned the kickoff back to the Hamlin 31 and the Pipers drove down to the Clyde 28 in 13 plays before losing the ball on downs.

It took Clyde only six plays to cover the 72 yards and get on the scoreboard again. Endgate Hawk carried the final 13 yards for the score. The point after try was blocked.

Joe Mayes returned the kickoff back 25 yards to the Hamlin 42 yard line. But three plays later the Pipers lost their second fumble of the night at their own 43. The half ended with Clyde on the Hamlin 33 yard line.

Willis returned the half kickoff back 13 yards to the Hamlin 38. McDonald picked up a first down at the Clyde 49 with a three yard gain following a

nine yard carry by Johnny. Facing a third and ten situation, Milton carried for 15 yards to the Clyde 35 only to lose the ball on a fumble.

Seven plays later the Bulldogs were on the scoreboard again with Tommy Ross breaking loose for 44 yards and the score. His try for the two points failed.

Neither team threatened again until late in the fourth period when Clyde returned a Piper punt to the Hamlin 37. They moved down to the Hamlin 10, but two live yard penalties moved them back and they gave up the ball on the Hamlin 15.

Clyde picked off a Hamlin pass and returned it to the Piper 22. Two plays later Loper scored from the 19 yard line. Barr carried in for the two points.

The combination of Johnny and Barry moved the ball 58 yards in 12 plays before the drive stalled on the Clyde five. Clyde moved out to the seven and then lost the ball on their first fumble of the night at the seven. With time for only one play Quarterback Steve Mackey carried for four yards to the three as the game ended.

Judge Daniel Metes Out Fines, Prison Terms

Judge J. Neil Daniel handled a number of cases in district court at Anson last Thursday upon pleas of guilty. Two persons who had attempted to break into F and M National Bank at Hamlin were given terms to run concurrently with terms given in federal court.

Lydell Beth Lindsey and Mark Layton Lindsey each were sentenced to five years in federal prison.

Probation of Bruce Deen who had been given a four year term for felony theft was revoked for violation of probation.

Max Reynolds, who pleaded guilty to check swindling and felony theft was given 10 years in the penitentiary on each case with the two terms to run concurrently.

The judge slapped a \$100 fine on Donald Elvin Breeding for not showing up for his trial on a previous occasion. Breeding had entered a plea of guilty to a charge of malicious mischief. He was given a three year term but this was probated. He also must make restitution for the damages to the extent of \$225. must pay \$27 court costs and pay \$10 per month probation fee. All of the fines and costs are to be paid within a four month period.

Taylor Mobley pleaded guilty to second offense DWI and was given 60 days in county jail with credit for 42 days already spent there.

1972 Chevrolet. Building a better way to see the U.S.A.

**We want your new
Chevrolet to be the best car you ever owned.**

The best.
No qualifications. No reservations.
We want it to be the most beautiful, most trouble-free, most comfortable car you ever owned.

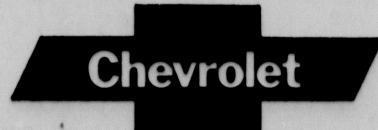

So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection.

Plus a 400-cubic-inch V8 engine and Turbo Hydra-matic automatic transmission.

All standard, as you expect with a luxury car. And Caprice is but one of the new Chevrolets. There are 45 in all: pictured below (left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega.

Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving.

Whatever your choice, we want your new Chevrolet to be the best car you ever owned. No less.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(September 28, 1928)

The Merry Madcaps Stock Company are playing in Hamlin all next week under the auspices of the Hamlin Fire Department.

The company is opening Monday in their big tent, playing "PIGS" one of the latest New York attractions and successes.

The Merry Madcaps Company have thirty people, band and orchestra and are playing for popular prices. Their special announcement appears in this paper and it gives some idea of the proposed entertainment.

The Merry Madcaps Company are making all this part of West Texas and reports are flattering as to the class of plays. All ladies are free Monday night if accompanied by a paid adult ticket escort.

This week the Herald is carrying announcement page for the W. B. Mercantile Co. which is opening a stock of dry goods in the Workman building.

Preparation for this opening has been going on for several weeks under the direction of S. Wertheimer, a member of the firm from Houston, and manager, I. Nedler.

The announcement will be noted by the Herald readers this week.

The two names Geo. Hall and Texas Company won't sound right if hooked up with some other name. But separations will happen and George is to blame. He is selling his agency here to Mr. George O. Harrell, of Eastland, who is already here with his family to take charge Monday. Don't know what George is going to do, but everybody is betting on him in whatever line he chooses.

Mr. Harrell is making acquaintances fast and from indications he is here to make good. He should. He is in 'the best town in the world' and all he needs to do is to help make Hamlin a better place in which to live.

TWENTY YEARS AGO
(September 28, 1951)

Hamlin's new and modern city disposal plant, costing \$38,800 will be completed and ready for operation within two weeks, Mayor B. M. Brundage said yesterday.

The plant which is located south of the city has a disposal capacity for a population of 7,500 persons. When started on July 5 the official census rating of Hamlin was 3,564.

Funds for the construction of the plant came from a bond issue voted in 1948. High bid for the building of the plant was \$56,000 and the low bid, \$38,800, resulted in the contract being awarded to the J. C. Oliver Construction Company of Tyler. One hundred and twenty working days were allowed for fulfillment of the contract.

The old disposal plant, constructed in 1921, had become deteriorated in 1921 and in building the new one the mayor and city council based their plans and specifications on the future population growth of Hamlin.

More than 300 bales of cotton had been ginned in the Hamlin area up until early this Friday morning.

Hamlin Farmers Cooperative Gin had ginned 190 bales and the Producers Gin 80, making a total of 270 for Hamlin alone.

At Neinda the Farmers Cooperative Gin had run through 40 bales, while the Farmers Gin at McCaulley will not begin operations until today. Thus, Neinda's 40 made a total of 310 bales ginned to date in the entire Hamlin area.

TEN YEARS AGO
(September 28, 1961)

The Winters Blizzards will be seeking their second win of the season Friday night when they play host to the Pied Pipers, playing one of the toughest schedules in AA, the Blizzards won their opener against 3-A Lake View and then fell before Anson, Brady and Albany.

The Blue and White from Winters will field an extremely fast team and a strong defensive unit which held Albany scoreless for three quarters.

Top backfield aces for Winters are Steve Grissom at fullback, and Johnny Caskey All-District quarterback last year, a fine passer. Top linemen on offense and defense are right tackle Donald Clanton and right guard Rodger Stamford.

Reserve seat tickets are available at the high school for Friday night's encounter.

Farmers east of Hamlin were still uncertain as to how much of their cotton crop they would be able to salvage following Sunday night's devastating hailstorm which was accompanied by heavy rain. The hailstorm covered an area about a half-mile wide and four or five miles long and caused from 10 to 60 percent damage.

Estimates run as high as \$100,000 loss due to the storm. The damage was inflicted on part of the same area that was struck by last year's million dollar storm.

The farmers were uncertain as to the full effect of the hail that defoliated acre after acre of cotton leaving only the larger boles on the stalks. Noone seems to know how many of the remaining boles will go ahead and open nor how good the crop might be.

Some of those hit this Sunday failed to get out a single bale last year.

Some of the hardest hit by the storm were Joe Murff, Jack Vaughan, Kenneth and J. C. Riddle, Ernest Jenkins, Vernon Mayfield and Mrs. Dave Herbst.

READING GOD'S WORD

The reading of God's word is a neglected

love by many today. It has been too easy

to forget the price paid by many in

the past, to make the Bible available to

all. There was a time when men

were hungry for all the wonderful

messages contained in God's word.

The Bible is full of wisdom and

the teachings that men need.

"Man doth not live by bread only,

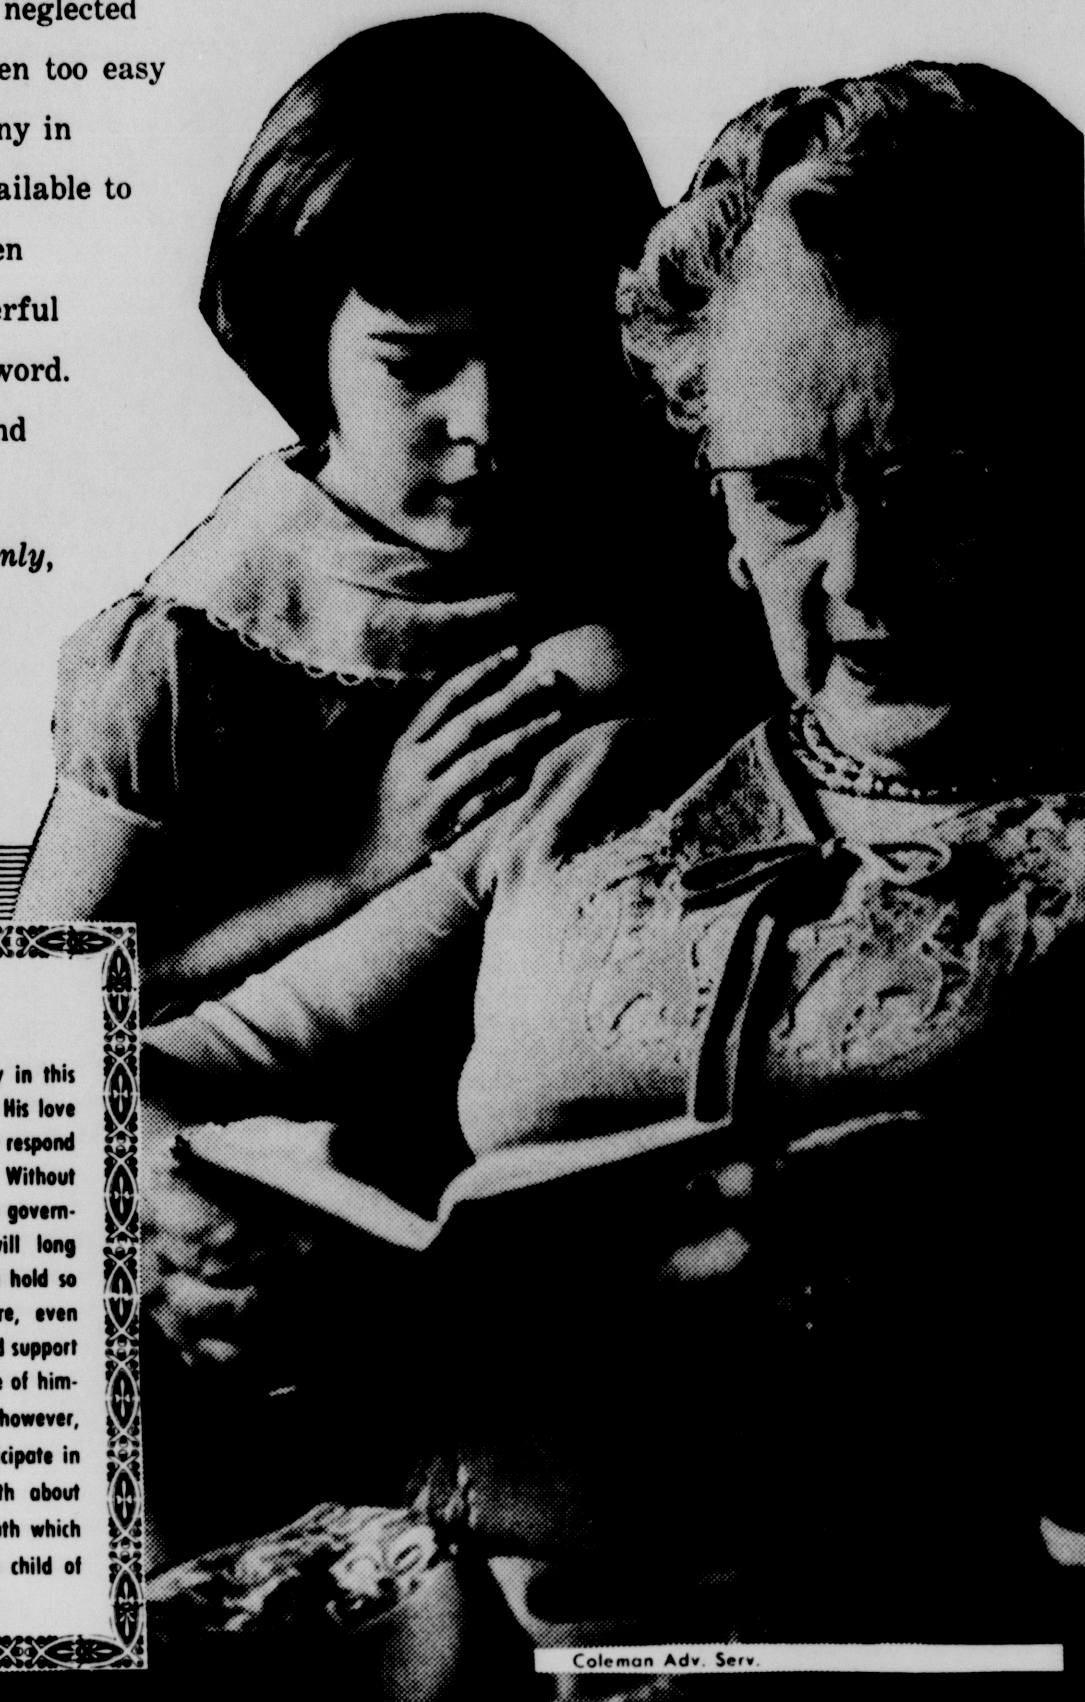

but by every word that

proceedeth out of the mouth

of the Lord."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Parking Lots For Clean Air

Elkhart, Ind. — (HK)—When you park your car in a parking lot, do you think about the impact on the environment? Probably not, but some U.S. companies have and are doing something about it.

One company, Miles Laboratories Inc., realized in 1961 that vast unrelieved areas of paved parking would contribute significantly to the deterioration of the environment.

The company decided that its parking lots around the world should seek to maintain a clean environment. And Miles developed special landscaping plans

to insure its decision. Besides the aesthetic qualities of a landscaped parking area, the result is cleaner air and the conservation of underground water.

Trees, shrubs and ground cover play a vital part in absorbing gases such as carbon dioxide from the air and then returning pure oxygen to the atmosphere. In the summer, landscaping acts as a natural air-conditioner; in the fall, the contaminants trapped in the leaves are easily and safely eliminated; and in the winter it reduces the effects of wind and snow.

Clinical Pastoral Education Course Offered At Big Spring

An Introductory Clinical Pastoral Education Course will be offered at the Big Spring State Hospital, Big Spring beginning October 7. This will be one day per week (Thursday) from 8:00 a.m. to 5:00 p.m. for an eight week duration.

The course will include unit assignments in learning how to relate to and work with emotionally disturbed people. The pastor will be introduced to various kinds of treatment in mental illness.

One major emphasis of the course will be group therapy for the pastors in which they will become better acquainted with their own identity and theological role.

There is a charge for this course. A certificate will be awarded upon completion of the course providing the requirements have been met.

Interested persons should write: Chaplain Lee Butler, Box 231, Big Spring, Texas 79720, or call: 915 267-8216, Ext. 260.

NEWS FROM . . . Sylvester

By MRS R M BABB

We have a beautiful Monday morning, quite brisk but the sun is shining after three days of rain and high winds. We gauged .90 in. of rain here in my gauge but others report more in other parts of the town and community.

Gladys Williams is still in Simmons Memorial Hospital in Sweetwater improved but not ready to come home.

W. O. Reeves has gone from the Hamlin hospital to the Holiday Lodge for awhile.

We are sorry to learn that A. J. Cook had fallen off a telephone pole and is in Simmons Memorial hospital in Sweetwater. He is improved at this time.

Guests in the W. B. Brown home since last Thursday night were Mr. and Mrs. Frank Brown of Story, Ark., then on Sunday, Mr. and Mrs. Jerry Prather and family of Sweetwater, Mr. Treadway of Roscoe, Charles Brown of Champion, and Mr. Henry

Brown of Clyde.

I understand many of our people enjoyed the West Texas Fair this year very much.

Mr. and Mrs. W. F. Pope of Long Beach, Calif., James and Debbie Wilder of Dallas have been guests in the Pope home.

Mrs. Serena Martin of Elsa is visiting the remainder of the week and at the end of the week will take Mrs. Maggie Wilder back to Dallas where she has been living since the first of September.

Mr. and Mrs. Mike Dobbs and children of Big Spring spent part of their vacation visiting here with the Woodrow Lawlis family.

Mr. and Mrs. Ross Boyd of Hamlin were by the house and reported their daughter, Mrs. Frances Montgomery of Midland, was getting to come home from the hospital this week after major surgery and is doing real good.

HAMLIN JUNIOR HIGH CHEERLEADERS — Backing the Mighty Mice Junior high school teams this season with cheers are from left, Kayla Mehaffey, daughter of Mr. and Mrs. H. L. Mehaffey; Janice Cork, daughter of Mrs. Janie Cork; Melissa Madden, daughter of Mr. and Mrs. L. E. Madden; Patrice Moore, daughter of Mrs. Fred B. Moore Jr.; and Debi Cary, head cheerleader, daughter of Mr. and Mrs. Robert Cary.

AMERICAN MOTORS INTRODUCES THE GUARANTEED CAR.

If anything goes wrong with one of our 72's and it's our fault, we'll fix it free. Anything.

AMERICAN MOTORS 1972 BUYER PROTECTION PLAN.

For years, car buyers in this country have been saying that instead of shiny new chrome every year, what they really want is a good car they can count on.

That's why American Motors and its dealers put together their 1972 Buyer Protection Plan. Here's how it works:

A STRONG GUARANTEE IN PLAIN ENGLISH.

When you buy a new 1972 car from an American Motors dealer, American Motors Corporation guarantees to you that, except for tires, it will pay for the repair or replacement of any part it supplies that is defective in material or workmanship.

This guarantee is good for 12 months from the date the car is first used or 12,000 miles, whichever comes first.

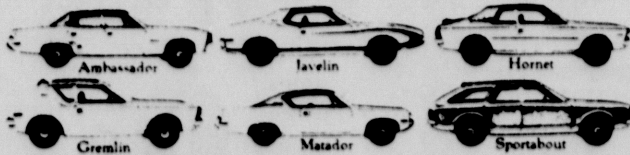

All we require is that the car be properly maintained and cared for under normal use and service in the fifty United States or Canada and that guaranteed repairs or replacements be made by an American Motors dealer.

This guarantee gives you 12-month or 12,000-mile coverage on a lot of things most car warranties don't. It covers air conditioning, battery, radio, wiper blades, front end alignment, light bulbs—literally everything we put on the car except tires.

In other words, if something we did goes wrong with one of our '72's, you won't have to pay for the parts or the labor. We will.

A MORE THOROUGHLY-CHECKED CAR. FROM THE FACTORY AND THE DEALER.

Naturally, we wouldn't be backing our cars like this if we weren't more sure of them than

we've ever been before. For 1972, we've put in more quality control steps, more tests and more people to see that every car leaving our factory is as perfect as man and machine can make it.

At the dealer's, it's checked over again.

Every car (not one of 50, one of 5, every one) is road-tested for starting, handling, braking and overall performance. When the serviceman completes the test, he signs his report and slides it over the sun visor, where you can see it.

And, when a man signs his name to something, you can be sure he's done his job. And done it right.

A LOANER CAR WHEN YOU NEED IT. FREE.

Not only do we offer you a strong guarantee, we've set up a system to back it up without inconveniencing you.

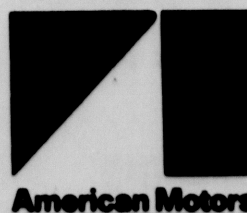

If you have to leave your '72 overnight for guarantee repairs, over 2,000 dealers will loan you one of their cars. A nice, clean, well-equipped car in good condition. Free.

A DIRECT LINE TO DETROIT. TOLL-FREE.

We're making some big promises, and we fully intend to keep them. But, just in case you have a problem, we have a way of handling it. When you buy a '72, you get the name and toll-free number of a person in Detroit.

If you call, we promise you you'll get results. And fast.

These aren't just fancy words. We mean it. Nobody in the business does as much for you after you buy a car, and it takes a lot of time, men and money to do all these things. But we think it's worth it. Since we're giving American car-buyers exactly what they say they want, we should sell more cars than we've ever sold before.

STARTING TODAY, THESE AMERICAN MOTORS DEALERS WILL DO MORE FOR YOU AFTER YOU BUY A CAR THAN ANY OTHER DEALER IN TOWN.

NEWS AND VIEWS . . .

And What Have You By BOB CRAIG

Although for the most part I thought the Pipers played a better game Friday night against Clyde than they did the week before against Winters they are still looking for their first win of the young season. While the score was more one-sided in Clyde's favor, the Pipers showed a more consistent offense.

Being a young club they are plagued with mistakes but what seems to be their major problem is that because they are a young club they seem to lose their poise when they make these mistakes. What they seem to need most of all is a strong take-charge leader that can fire them up after a let down and get them back into the ballgame.

But I will say one thing for the boys on the field they seem to hold on to their poise better than some of their fans sitting up in the stands. After listening to some of the noise coming out of the stands I wonder sometimes if our boys' worst enemies aren't sitting in our stands rather than across the line from them.

We need fans who will holler encouragement to our team-not these people that spend the entire game running down the boys and the coaches. I think that everyone would be better off if these people would just stay home and throw things at their TV sets on Saturday and Sunday.

As is to be expected, especially after a loss, Hamlin has its share of Saturday morning quarterbacks. Those who, well meaningly, wonder why we didn't do this or didn't do that. But what I don't understand is that you never see them at Booster Club meetings where their questions can be answered by the only people who can have the answers, the coaches. This is part of what Booster Club is all about but we seem to have very few who are interested enough to try to find out the answers to their questions.

Hopefully our team can put it all together here Friday night against Childress and mark up that first win. More than anything else these kids need confidence in themselves and nothing will give them this quite like a win.

I would like to see them get out there and forget about the scoreboard and just play the game the best they know how and play it for the real purpose it is intended — for fun.

And as for the fans I just hope that if they cannot find something good to say, both to the team and to the coaches, they will just shut up.

Do you ever feel overworked, underleisured, underbenefitted? Take heart. This office staff notice was found recently in the ruins of a London office building. It was dated 1852. The article was taken from the Electric Times, a publication of the West Texas Utilities Co.

Office Staff Practice

1. Godliness, cleanliness, and punctuality are the necessities of a good business.
2. This firm has reduced the hours of work, and the clerical staff will now only have to be present between the hours of 7 a.m. and 6 p.m. weekdays.
3. Daily prayers will be held each morning in the main office. The clerical staff will be present.
4. Clothing must be of a sober nature. The clerical staff will not disport themselves in raimant of bright colors, nor will they wear hose unless in good repair.
5. Overshoes and topcoats may not be worn in the office, but neck scarves and headwear may be worn in inclement weather.
6. A stove is provided for the benefit of the clerical staff. Coal and wood must be kept in the locker. It is recommended that each member of the

\$150,000 Sewer Bond Election Called

The Hamlin City Council voted Tuesday evening to call a \$150,000 bond election for the purpose of improving and extending the city's sewer system. The election will be held Saturday, Oct. 9, in the City Hall Building.

The bond election has been called to finance a sewage treatment plant to meet the requirements of the Texas Water Quality Control Board, the Texas Department of Health and the Federal Water Pollution Control Administration.

The \$150,000 issue would be general obligation sewer system bonds and would be paid for by the recently passed increase in sewer fees. No increase in taxes would be needed to meet the bond payments.

All registered qualified voters living within the City limits of Hamlin on the day of election will be eligible to vote in the election. To meet the requirements of a ruling by the Texas Attorney General there will be two ballot boxes, one for

property owners and one for non-property owners.

About \$100,000 of the 15 year bonds will be used for the sewage treatment plant with the balance of the issue available for other sewer improvements if needed or required by the state or federal government.

The treatment plant is expected to cost \$145,000 with the federal government furnishing approximately \$80,000 of this in the form of a grant. To meet the

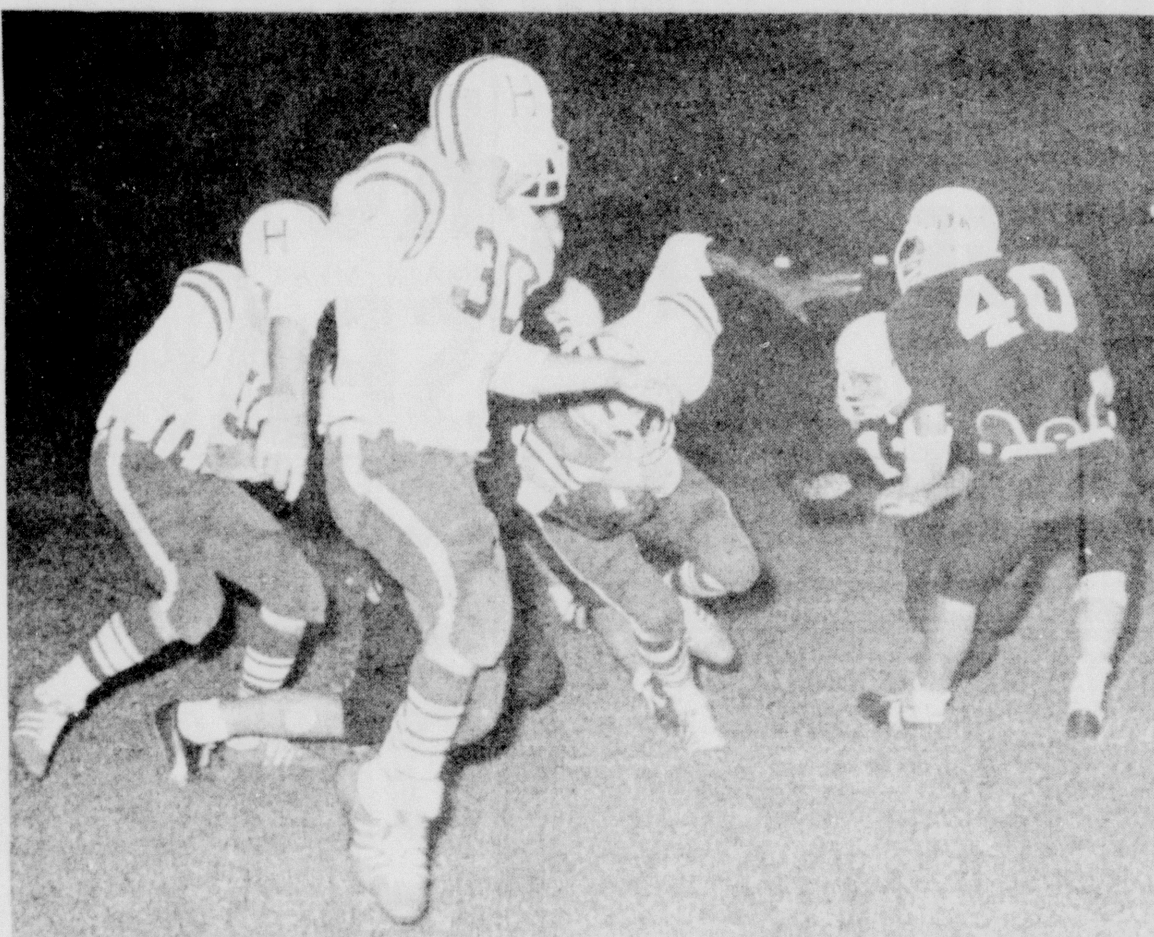

requirements of this federal grant, \$36,000 of the bonds would be offered for sale to the State of Texas Water Quality Board. No state or federal monies are available for the purchase of land for the plant which is expected to cost approximately \$35,000.

It was pointed out by members of the council that the city did not have much choice in calling the election because the state is requiring that the new plant be built. If the voters turn

down the bond issue the city will have to seek some other method of financing the project which would be more expensive than bonds.

Absentee voting in the election will get underway Friday, Sept. 24 and end Tuesday, Oct. 5.

Yeatts and Decker, Inc., Consulting Engineers of Abilene are engineers on the project and the First Southwest Co. of Lubbock are bond consultants for the city.

TOUCHDOWN — Quarterback Milton Jones carries the ball five yards for a touchdown against Clyde Friday evening. Leading the way is Fullback Barry McDonald (30). The five yard carry by Jones climaxed a 73 yard drive by the Pipers to put them out in front, 6-0. The Bulldogs came back to win 28-6. (Photo by Tim Jones)

Pipers to Host Tough Childress Team Friday

The Pied Pipers will be playing at home again this week as they host a tough Childress Bobcat team that has been picked by some to win their district. The Bobcats will be going into the game with a 1-1 record while the Pipers will still be looking for their first win.

The Bobcats defeated Paducah last week, 34-0, after losing their opener to Clarendon, 41-19. The Bobcats lost the ball eight times on fumbles in their opening loss.

After reviewing the game film of the Hamlin-Clyde game at Booster Club meeting here Monday evening it seemed to be the general consensus of those present that the Pipers played a much better game against Clyde than most had thought after the game Friday.

Coach Deane Wright told the boosters that the Pipers moved the ball much better against Clyde than they did against Winters the week before but

that they just made too many mistakes—both on offense and defense.

Scouting reports on Childress indicate that they have a large ball club with above average speed. They will average about 170-pounds in the line and have good, strong runners in the backfield.

Their quarterback, Turk Nelson, a 151-pound junior, throws the ball well and is especially effective on the rollout, scoring twice against Paducah with it. Top running back for Childress is Larry Johnson, a 161-pound junior halfback, who is a strong runner and has good speed. He is the

only back still in the lineup from last year. He carried the ball 15 times against Hamlin last year for 68 yards.

At fullback will be David Bradford, a 174-pound senior, who also is a hard runner. The favorite Bobcat receiver is slot or wingback Jerry Neal, a 147-pound junior.

Eighth Grade Defeats Spur, Sweetwater Next

The Hamlin Junior High Eighth grade football team captured their second victory of the season Tuesday evening by defeating the Spur Junior High, 32-16. The Seventh grade team was idle. The Eighth grade will host the Sweetwater Eighth grade "B" team here Tuesday in a game starting at 6:30.

Gary Don Mayes opened up the scoring for Hamlin early as he returned the opening kickoff back for the first score. The second score came on a pass from Daniel Willis to Mayes.

Early in the second quarter defensive tackle Donnie Nelson intercepted a pitch out and ran 30 yards for the score. Russell May scored again in the second period with Gerald Rodgers passing to May for the two points, making the halftime score 26-0.

Spur scored in both the third and fourth quarters with Willis returning the fourth quarter kickoff by Spur in for the final score.

Davis Weaver Named To Receive Top FFA Award

Davis Weaver, a sophomore agricultural education major at Tarleton State College and graduate of Hamlin High School, has been nominated to receive the American Farmer Degree, highest degree presented by the National Future Farmers of America organization.

He was nominated for the degree by the Texas FFA Association and the nomination was approved by the National FFA Board of Directors in a recent meeting held in Washington, D. C.

Davis was one of 470 FFA members nominated to receive the American Farmer Degree which will be presented at the National FFA Convention in Kansas City. The presentation will be made Thursday, Oct. 14, pending a final vote of approval by 113 student delegates who represent FFA members in convention business sessions.

He earned the American Farmer Degree on the basis of his supervised farming program and his participation in activities of the Hamlin FFA Chapter. His program has included breeding beef cattle, breeding and feeding swine, cotton, wheat and milo. He was

SUPPORT SOUGHT—

Closing of Hospital Threatened Jan. 1

In a prepared statement issued Wednesday morning the three Hamlin doctors who operate the Hamlin Memorial Hospital announced plans to close the local hospital January 1 unless some means of outside financing is found. A recent audit by Medicare claims to have overpaid the local hospital \$84,500 during the past four years.

Yule Promotion Committee Seeks Ideas for Program

C. L. Howard, chairman of the Christmas Promotion of the Retail Trade Committee, is asking the help of all the Board of Community Development membership in suggesting ideas for a good Christmas program for Hamlin this season.

Howard was named to head the promotion by Retail Trade Development Committee Chairman Charles Reed.

The Committee is in the process of planning the project suggestions. Other ideas are needed, Howard said, before the committee starts definite plans.

Anyone with suggestions should relay them to Mrs. L. C. Bonds, secretary, at the office by phone, by letter or in person, he said. These need to be turned in by Tuesday, Howard stressed.

Citing Medicare as the problem, the three doctors say that they cannot continue to operate the hospital without taxpayer contributions. This would mean forming a hospital district or some other taxing authority taking over and operating the local hospital.

The three doctors, Dr. E. J. Hawkins, Dr. M. L. Smith and Dr. E. D. Perrin, have operated the hospital for 23 years.

The prepared statement submitted by the doctors follows:

Medicare Auditors have finally audited the hospital books. This is the first audit since origination of Medicare, except for a trial audit over the first two months of operation. This audit covers 4 years, 1967 through 1970. It does not include 1971. The Medicare patients in Hamlin Hospital vary from 50 to 52 percent total bed occupancy. Each year we have repeatedly requested and even demanded the audit. We even threatened to contact Omar Burleson in an effort to get an audit so we could determine our financial status;

and we were repeatedly denied an audit of our books.

Medicare will pay only the exact cost of hospital costs allocated to each Medicare patient, even though this does not reflect the true costs entailed in operating the hospital. Medicare informed us last week that it has overpaid \$84,500.00 to Hamlin Hospital during the 4 years audited. This does not yet include any figures for 1971. All of this money has been spent to operate Hamlin Hospital. To date there are approximately \$20,000.00 of current bills outstanding.

We three doctors have maintained operation of Hamlin Hospital without outside help for 23 years. We assumed a large debt on the hospital, paid off this debt, and then enlarged the hospital twice. All of this has been paid off fully. Now, Medicare has bankrupted the hospital. We cannot continue to operate the hospital without taxpayer contributions.

We three doctors have agreed to contribute enough of our personal income to maintain operation of Hamlin Hospital Management, Inc. until January 1, 1972. If no outside organization will take over operation of the hospital, by that time, the doors will be closed.

789 Shots Given During Free Clinic

Mrs. W. W. Wallace, school nurse, reported that 789 immunizations were given to Hamlin youngsters during the free clinic held here Monday.

The Hamlin Elementary Parent-Teachers Association assisted in registering the students at the clinic.

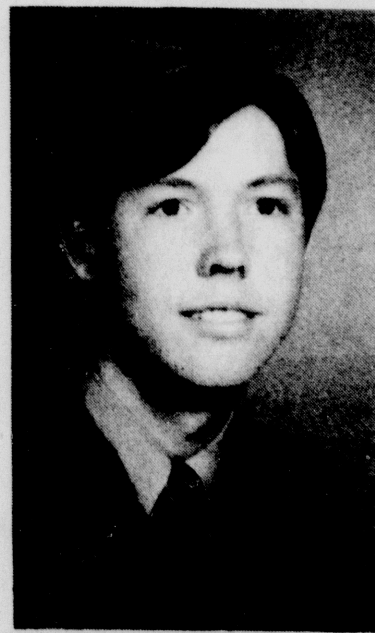

Second Sidewalk Sale, Flea Market Set Oct. 2

A second big Sidewalk Sale and Flea Market is being planned for downtown Hamlin, by the Retail Trade Committee of the Hamlin BCD, according to Charles Reed, chairman. The sale will be held all day Saturday, Oct. 2.

Joe Cortez has been named chairman for this big event and he has issued a special invitation for everyone in the area to bring their unwanted goods to town that day and take part in the gigantic garage sale. Local merchants will join in and have many bargains out on the sidewalk for the special sale.

Cortez said that he hopes more people will take advantage of the Flea Market this time and bring their goods to town for the big sale. Efforts will be made by the merchants to help individuals set up their booths around town in front of the vacant buildings, the vacant lots and on the sidewalks.

Cortez said that members of his committee, Frank Shearer and Roger Bell, will be available during the day to assist in setting up the booths and finding places for everyone during the big sale.

Crouch-Briscoe Vows Read Here Saturday

Marriage vows were read here Saturday evening in First Baptist Church for Janice Diane Crouch, daughter of Mr. and Mrs. C. A. Crouch, and Bobby Dale Briscoe, son of Mr. and Mrs. Von Dale Briscoe of Sweetwater.

Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated. Music was presented by Mrs. Lynn Mink, organist, and Mrs. Robert Moore, soloist.

Presented in marriage by her father, the bride wore an empire gown of peau de soie with daisy lace at the Victorian neckline, on the deep cuffs and outlining the chapel train. Her headpiece of daisy lace and seed pearls held her veil of illusion. She carried a bouquet of yellow roses.

Maid of honor was Jan Young, Connie Lynn Weatherman of Abilene was bridesmaid. They wore dresses of organza over yellow satin and carried long stemmed yellow roses.

Don Suggs of Sweetwater was best man. Groomsman was Ben Monroe, also of Sweetwater.

Ushers were Derrell Weatherman of Abilene, Sonny Gardner and Johnny Briscoe, both of Sweetwater.

Dee Dee Eaton, niece of the bride, was flower girl. Richard Eaton, nephew of the bride was ring bearer.

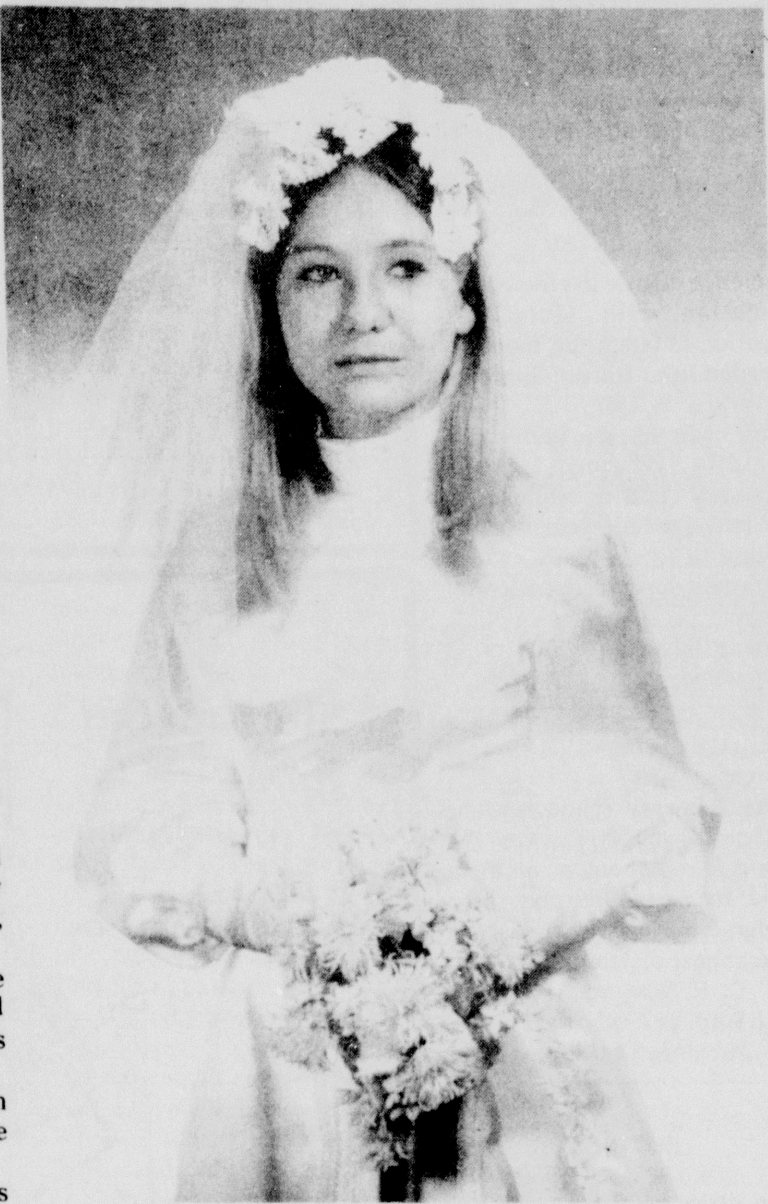

The reception was held in Fellowship Hall, hosted by the bride's parents.

After a wedding trip to Dallas the couple will live at 306 Pine St. Apt. 3, in Sweetwater.

The bride is a graduate of

Hamlin High School and attended Angelo State University. She is employed in the inhalation therapy department at Simmons Hospital in Sweetwater.

The bridegroom, a graduate of Sweetwater High School, is employed by J. and R. Oil Company in Sweetwater.

vocational agriculture instructors and FFA advisors are T. C. Blankinship and Milburn Wink.

The American Farmer Degree is a highly coveted award because it is presented to only one tenth of one percent of the total 427,000 FFA members. It is presented only by the National FFA Organization of the FFA to members who have demonstrated exceptional agricultural and leadership ability.

Each American Farmer Degree recipient will be presented a gold key and certificate by the National FFA Organization. Recipients who attend the convention will also be presented a check from the National FFA Foundation to help pay their travel expenses.

To qualify for the American Farmer Degree FFA members must have advanced through a system of degrees unique to the FFA organization. FFA members begin as Greenhands and after one year of membership may be advanced by the local chapter to the degree of "Chapter Farmer." The third degree, that of "State Farmer," is presented by the State FFA Association is limited to no more than two percent of the State's FFA membership in any one year. Only students who have earned the State Farmer Degree are eligible for the American Farmer Degree.

The National FFA Convention is an annual event of the Future Farmers of America and is carried out in cooperation with the U. S. Office of Education, of the Department of Health, Education, and Welfare. This year over 12,000 FFA members, vocational agriculture teachers, parents and guests are expected to take part in the 44th National FFA Convention.

comes up with a new proposal this week.

Dear editor:

It is now pretty well established, at least in the minds of newspaper and magazine columnists I've been reading, that the United States has lost a lot of its prestige around the world, so much so for example that Paris airlines last week began refusing to take U. S. dollars for plane tickets.

This has a lot of people worried, excusing me, as I don't ever remember waking up and wondering what my prestige was that day in the capitals of the world although I have a pretty good notion what it is across my neighbor's fence. I'll return his hoe just as soon as I find out which patch of weeds it is that has grown up around it.

None the less, a lot of leaders are saying we've got to do something about our world standing, we've got to restore our image as the world's most prosperous nation.

They couldn't be wronger.

The thing for us to do is to go all out encouraging the notion we're hard up. Paint the picture black and bleak. Why just last night I read that the Chancellor of Austria, reviewing the balance of payments difficulties the United States is having, said "the time has come for European nations to remember the generous help given them by the U. S. after World War II and repay part of their debt."

I've forgotten how many billions of dollars we loaned them, but if we've now convinced them we're in such bad shape they ought to start repaying at least part of it, we're on the right track. Let's fan that fire from all directions. Tell our diplomats abroad to start wearing rumpled suits and carrying their lunches in paper sacks. Have their wives dress in last year's clothes and run ads offering to do baby sitting. Have foreign visitors come by here and see the loose boards on my front porch and go

on to Washington to examine the national debt. Get the power company to turn off the electricity in the U. S. Capitol and put out the word it was for failure to pay the bill. Then hit Europe up for a loan to get us back on our feet.

This is an opportunity too good to miss.

Speaking of balance of payments, I don't quite understand it on the world level but I know what it is on the local level. It means fourteen more payments and that television set is yours.

Yours faithfully,
J. A.

NOTICE OF ELECTION THE STATE OF TEXAS: COUNTIES OF JONES AND FISHER:

CITY OF HAMLIN:
To the resident, qualified electors of said city who own taxable property in said city and who have duly rendered the same for taxation, and to all other resident, qualified electors of said city:

Take notice that an election will be held in said city as provided in an ordinance calling an election duly passed by the City Council of said city, which ordinance is substantially as follows:

ORDINANCE CALLING AN ELECTION

THE STATE OF TEXAS:
COUNTIES OF JONES AND FISHER:

CITY OF HAMLIN

WHEREAS, it is deemed necessary and advisable to call the election hereinafter ordered; and

WHEREAS, it is hereby officially found and determined: that a case of emergency or urgent public necessity exists which requires the holding of the meeting at which this Ordinance is passed, such emergency or urgent public necessity being that the proceeds from the sale of the proposed bonds are required as soon as possible and without delay for necessary and urgently needed public improvements; and that said meeting was open to the public, and public notice of the time, place, and purpose of said meeting was given, all as

required by Vernon's Ann. Civ. St. Article 6252 - 17, as amended;

THEREFORE, Be it ordained by the City Council of the city of Hamlin, Texas:

1. That an election shall be held on OCTOBER 9, 1971 in said City at the following designated polling place: CITY HALL.

Said City shall constitute a single election precinct for said election, and the following election officers are hereby appointed to hold said election: Presiding Judge: A. B. Carlton.

Alternate Presiding Judge: Frankie W. Cassle.

2. That the Presiding Judge shall appoint not less than four qualified election clerks to serve and assist in conducting said election; provided that if the Presiding Judge actually serves as expected, the Alternate Presiding Judge shall be one of such clerks.

3. That by approving and signing this Ordinance the Mayor of said City officially confirms his appointment of the aforesaid election officers to serve at said election; and by passing this Ordinance the governing body of said City approves and concurs in the appointment of the aforesaid election officers.

4. That said election shall be held and conducted in effect as two separate but simultaneous elections, to-wit: one election at which only the resident, qualified electors who own taxable property in the City and

who have duly rendered the same for taxation shall be entitled to vote, and another election at which all other resident, qualified electors of the City shall be entitled to vote. The votes cast at each of said separate but simultaneous elections shall be recorded, returned, and canvassed separately. It is hereby declared that the purpose of holding the election in such manner is to ascertain arithmetically, with respect to a submitted PROPOSITION, (a) the aggregate votes cast at the election for and against the PROPOSITION by resident, qualified electors of the City, and also (b) the aggregate votes cast at the election for and against the PROPOSITION by owner of taxable property in the City and who have duly rendered the same for taxation. Each elector shall be entitled to vote once, in accordance with the provisions of this Ordinance.

5. That notice of said election shall be given by posting a substantial copy of this Ordinance at the City Hall and at two other places in said City, not less than 15 days prior to the date set for said election; and a substantial copy of this Ordinance also shall be published on the same day in each of two successive weeks in a newspaper of general circulation published in said City, the date of the first publication to be not less than 14 days prior to the date set for said election.

6. That at said election the following PROPOSITION shall be submitted in accordance with law:

PROPOSITION

Shall the City Council of said City be authorized to issue the bonds of said City, in one or more series or issues, in the aggregate principal amount of \$150,000, with the bonds of each such series or issue, respectively, to mature serially within not to exceed 25 years from their date, and to be sold at such prices and bear interest at such rates as shall be determined within the discretion of the City Council, for the purpose of improving and extending said City's Sewer System; and shall said City Council be authorized to levy and cause to be assessed and collected annual ad valorem taxes in an amount sufficient to pay the annual interest on said bonds and provide a sinking fund to pay said bonds at maturity?

7. That the official ballots for said election shall be prepared in accordance with the Texas Election Code, so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid PROPOSITION, which shall be set forth in substantially the following form, to-wit:

PROPOSITION

FOR

AGAINST

THE ISSUANCE OF \$150,000 OF SEWER SYSTEM BONDS

Mistakes Costly As Pipers Fall to Clyde Friday, 28-6

The Pied Pipers opened up strong against the Clyde Bulldogs Friday evening but then fell to pieces after a few costly mistakes to get beat 28-6. The Pipers opened the scoring with a 73 yard touchdown drive only to have Clyde score four times in the final three periods of play.

The turning point in the game came in the second period when the Pipers failed to drive in for their second score after the Bulldogs got on the scoreboard following a recovered fumble. This was the last serious threat by the Pipers until the waning moments of the game when they drove to the Clyde five yard line.

Three lost fumbles and a pass interception proved costly to the Pipers as they lost their momentum, both on offense and on defense.

Clyde scored on drives of 36 yards, 72 yards, 65 yards, and 22 yards.

Halfback Johnny Jones was top ground gainer of the evening with 74 yards in 16 carries for a 4.6 average. He was followed by Gary Barr and Craig Loper for Clyde with Barr carrying 14 times for 70 yards and Loper 14 times for 64 yards. Fullback Barry McDonald carried 15 times for 49 yards with a 3.6 average.

Hamlin kicked off to Clyde to open the game. The bulldogs returned the kickoff to their 33 and moved out to the Hamlin 47 before punting.

The Pipers started their drive on their own 27 with Johnny Jones picking up four yards and McDonald adding seven more for the first down. McDonald carried twice for one and four yards and then Milton Jones threw a screen pass to Johnny who picked up 23 yards and a first down at the Clyde 34. Johnny picked up another first down with a 13 yard gain. David Willis gained 13 more for a first down at the Clyde six. McDonald carried to the two,

Milton was dropped for a three yard loss and then carried over his left tackle for the five yards and the score. Kenneth King's try for the point after was blocked.

Clyde returned the kickoff back to midfield but after three plays and a 15 yard penalty were forced to punt from their own 34. Milton took the punt at his own 25 and returned it to the 36 only to fumble with Clyde recovering.

It took Clyde eight plays to cover the 36 yards with Quarterback Jackie Fleming going the final five yards for the score. With Clyde drawing a penalty and then Hamlin it took three tries to get the point after on the books with Loper carrying in for the two points.

Johnny returned the kickoff back to the Hamlin 31 and the Pipers drove down to the Clyde 28 in 13 plays before losing the ball on downs.

It took Clyde only six plays to cover the 72 yards and get on the scoreboard again. Endgate Hawk carried the final 13 yards for the score. The point after try was blocked.

Joe Mayes returned the kickoff back 25 yards to the Hamlin 42 yard line. But three plays later the Pipers lost their second fumble of the night at their own 43. The half ended with Clyde on the Hamlin 33 yard line.

Willis returned the half kickoff back 13 yards to the Hamlin 38. McDonald picked up a first down at the Clyde 49 with a three yard gain following a

nine yard carry by Johnny. Facing a third and ten situation, Milton carried for 15 yards to the Clyde 35 only to lose the ball on a fumble.

Seven plays later the Bulldogs were on the scoreboard again with Tommy Ross breaking loose for 44 yards and the score. His try for the two points failed.

Neither team threatened again until late in the fourth period when Clyde returned a Piper punt to the Hamlin 37. They moved down to the Hamlin 10, but two five yard penalties moved them back and they gave up the ball on the Hamlin 15.

Clyde picked off a Hamlin pass and returned it to the Piper 22. Two plays later Loper scored from the 19 yard line. Barr carried in for the two points.

The combination of Johnny and Barry moved the ball 58 yards in 12 plays before the drive stalled on the Clyde five. Clyde moved out to the seven and then lost the ball on their first fumble of the night at the seven. With time for only one play Quarterback Steve Mackey carried for four yards to the three as the game ended.

Judge Daniel Metes Out Fines, Prison Terms

Judge J. Neil Daniel handled a number of cases in district court at Anson last Thursday upon pleas of guilty. Two persons who had attempted to break into F and M National Bank at Hamlin were given terms to run concurrently with terms given in federal court.

Lydell Beth Lindsey and Mark Layton Lindsey each were sentenced to five years in federal prison.

Probation of Bruce Deen who had been given a four year term for felony theft was revoked for violation of probation.

Max Reynolds, who pleaded guilty to check swindling and felony theft was given 10 years in the penitentiary on each case with the two terms to run concurrently.

The judge slapped a \$100 fine on Donald Elvin Breeding for not showing up for his trial on a previous occasion. Breeding had entered a plea of guilty to a charge of malicious mischief. He was given a three year term but this was probated. He also must make restitution for the damages to the extent of \$225, must pay \$27 court costs and pay \$10 per month probation fee. All of the fines and costs are to be paid within a four month period.

Taylor Mobley pleaded guilty to second offense DWI and was given 60 days in county jail with credit for 42 days already spent there.

1972 Chevrolet. Building a better way to see the U.S.A.

**We want your new
Chevrolet to be the best car you ever owned.**

The best.
No qualifications. No reservations.
We want it to be the most beautiful, most trouble-free, most comfortable car you ever owned.

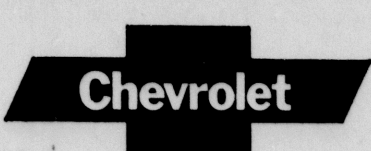

So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection.

Plus a 400-cubic-inch V8 engine and Turbo Hydra-matic automatic transmission.

All standard, as you expect with a luxury car. And Caprice is but one of the new Chevrolets. There are 45 in all; pictured below (left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega.

Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving.

Whatever your choice, we want your new Chevrolet to be the best car you ever owned. No less.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(September 28, 1928)

The Merry Madcaps Stock Company are playing in Hamlin all next week under the auspices of the Hamlin Fire Department.

The company is opening Monday in their big tent, playing "PIGS" one of the latest New York attractions and successes.

The Merry Madcaps Company have thirty people, band and orchestra and are playing for popular prices. Their special announcement appears in this paper and it gives some idea of the proposed entertainment.

The Merry Madcaps Company are making all this part of West Texas and reports are flattering as to the class of plays. All ladies are free Monday night if accompanied by a paid adult ticket escort.

This week the Herald is carrying announcement page for the W. B. Mercantile Co. which is opening a stock of dry goods in the Workman building.

Preparation for this opening has been going on for several weeks under the direction of S. Wertheimer, a member of the firm from Houston, and manager, I. Nedler.

The announcement will be noted by the Herald readers this week.

The two names Geo. Hall and Texas Company won't sound right if hooked up with some other name. But separations will happen and George is to blame. He is selling his agency here to Mr. George O. Harrell, of Eastland, who is already here with his family to take charge Monday. Don't know what George is going to do, but everybody is betting on him in whatever line he chooses.

Mr. Harrell is making acquaintances fast and from indications he is here to make good. He should. He is in 'the best town in the world' and all he needs to do is to help make Hamlin a better place in which to live.

TWENTY YEARS AGO
(September 28, 1951)

Hamlin's new and modern city disposal plant, costing \$38,800 will be completed and ready for operation within two weeks, Mayor B. M. Brundage said yesterday.

The plant which is located south of the city has a disposal capacity for a population of 7,500 persons. When started on July 5 the official census rating of Hamlin was 3,564.

Funds for the construction of the plant came from a bond issue voted in 1948. High bid for the building of the plant was \$56,000 and the low bid, \$38,800, resulted in the contract being awarded to the J. C. Oliver Construction Company of Tyler. One hundred and twenty working days were allowed for fulfillment of the contract.

The old disposal plant, constructed in 1921, had become deteriorated in 1921 and in building the new one the mayor and city council based their plans and specifications on the future population growth of Hamlin.

More than 300 bales of cotton had been ginned in the Hamlin area up until early this Friday morning.

Hamlin Farmers Cooperative Gin had ginned 190 bales and the Producers Gin 80, making a total of 270 for Hamlin alone.

At Neinda the Farmers Cooperative Gin had run through 40 bales, while the Farmers Gin at McCaulley will not begin operations until today. Thus, Neinda's 40 made a total of 310 bales ginned to date in the entire Hamlin area.

TEN YEARS AGO
(September 28, 1961)

The Winters Blizzards will be seeking their second win of the season Friday night when they play host to the Pied Pipers. playing one of the toughest schedules in AA, the Blizzards won their opener against 3-A Lake View and then fell before Anson, Brady and Albany.

The Blue and White from Winters will field an extremely fast team and a strong defensive unit which held Albany scoreless for three quarters.

Top backfield aces for Winters are Steve Grissom at fullback, and Johnny Caskey All-District quarterback last year, a fine passer. Top linemen on offense and defense are right tackle Donald Clanton and right guard Rodger Stamford.

Reserve seat tickets are available at the high school for Friday night's encounter.

Farmers east of Hamlin were still uncertain as to how much of their cotton crop they would be able to salvage following Sunday night's devastating hailstorm which was accompanied by heavy rain. The hailstorm covered an area about a half-mile wide and four or five miles long and caused from 10 to 60 percent damage.

Estimates run as high as \$100,000 loss due to the storm. The damage was inflicted on part of the same area that was struck by last year's million dollar storm.

The farmers were uncertain as to the full effect of the hail that defoliated acre after acre of cotton leaving only the larger boles on the stalks. Noone seems to know how many of the remaining boles will go ahead and open nor how good the crop might be.

Some of those hit this Sunday failed to get out a single bale last year.

Some of the hardest hit by the storm were Joe Murff, Jack Vaughan, Kenneth and J. C. Riddle, Ernest Jenkins, Vernon Mayfield and Mrs. Dave Herbst.

Parking Lots For Clean Air

Elkhart, Ind. — (HK)—When you park your car in a parking lot, do you think about the impact on the environment? Probably not, but some U.S. companies have and are doing something about it.

One company, Miles Laboratories Inc., realized in 1961 that vast unrelieved areas of paved parking would contribute significantly to the deterioration of the environment.

The company decided that its parking lots around the world should seek to maintain a clean environment. And Miles developed special landscaping plans

to insure its decision. Besides the aesthetic qualities of a landscaped parking area, the result is cleaner air and the conservation of underground water.

Trees, shrubs and ground cover play a vital part in absorbing gases such as carbon dioxide from the air and then returning pure oxygen to the atmosphere. In the summer, landscaping acts as a natural air-conditioner; in the fall, the contaminants trapped in the leaves are easily and safely eliminated; and in the winter it reduces the effects of wind and snow.

READING GOD'S WORD

The reading of God's word is a neglected love by many today. It has been too easy

to forget the price paid by many in the past, to make the Bible available to all. There was a time when men were hungry for all the wonderful messages contained in God's word.

The Bible is full of wisdom and the teachings that men need.

Rural electric systems also serve where fish abound, where deer are plentiful, where dove fly low, where waterfowl winter and where javalinas, wild turkeys and pheasant live. The Midwest Electric Cooperative cannot promise that you'll get your limit on the game you hunt in their area, but they can promise rural hotels, motels, fishing camps, hunting lodges and other accommodations which offer all the comforts of home, thanks to a dependable supply of low-cost electricity which makes rural recreation a lot more fun while helping Texas grow.

MIDWEST ELECTRIC COOPERATIVE, INC.

Piper Willis, Dwayne Weaver and Steve Mackey are sophomore representatives. Representatives from the freshman class are Rita Casey, Stephanie Willingham, Ray Sonnenburg and Randy Elmore.

Officers chosen last spring are: Rodney Rackley, president; Oscar Guerra, vice president; Jeannie Ferguson, secretary; Shelley Holtz, treasurer, and Ricky Gruben, reporter.

The pep rally turned out real well last Friday. There were quite a few townspeople there, which we were all very proud to see.

The Junior Class won the spirit competition this week and received the "Turn It on Light Bulb." Seniors, Sophomores and Freshmen, make the Juniors have to work to keep it.

Clinical Pastoral Education Course Offered At Big Spring

An Introductory Clinical Pastoral Education Course will be offered at the Big Spring State Hospital, Big Spring beginning October 7. This will be one day per week (Thursday) from 8:00 a.m. to 5:00 p.m. for an eight week duration.

The course will include unit assignments in learning how to relate to and work with emotionally disturbed people. The pastor will be introduced to various kinds of treatment in mental illness.

One major emphasis of the course will be group therapy for the pastors in which they will become better acquainted with their own identity and theological role.

There is a charge for this course. A certificate will be awarded upon completion of the course providing the requirements have been met.

Interested persons should write: Chaplain Lee Butler, Box 231, Big Spring, Texas 79720, or call: 915 267-8216, Ext. 260.

NEWS FROM ...

Sylvester

By MRS. R. M. BABB

We have a beautiful Monday morning, quite brisk but the sun is shining after three days of rain and high winds. We gauged .90 in. of rain here in my gauge but others report more in other parts of the town and community.

Gladys Williams is still in Simmons Memorial Hospital in Sweetwater improved but not ready to come home.

W. O. Reeves has gone from the Hamlin hospital to the Holiday Lodge for awhile.

We are sorry to learn that A. J. Cook had fallen off a telephone pole and is in Simmons Memorial hospital in Sweetwater. He is improved at this time.

Guests in the W. B. Brown home since last Thursday night were Mr. and Mrs. Frank Brown of Story, Ark., then on Sunday, Mr. and Mrs. Jerry Prather and family of Sweetwater, Mr. Treadway of Roscoe, Charles Brown of Champion, and Mr. Henry

Brown of Clyde.

I understand many of our people enjoyed the West Texas Fair this year very much.

Mr. and Mrs. W. F. Pope of Long Beach, Calif., James and Debbie Wilder of Dallas have been guests in the Pope home.

Mrs. Serena Martin of Elsa is visiting the remainder of the week and at the end of the week will take Mrs. Maggie Wilder back to Dallas where she has been living since the first of September.

Mr. and Mrs. Mike Dobbs and children of Big Spring spent part of their vacation visiting here with the Woodrow Lawlis family.

Mr. and Mrs. Ross Boyd of Hamlin were by the house and reported their daughter, Mrs. Frances Montgomery of Midland, was getting to come home from the hospital this week after major surgery and is doing real good.

HAMLIN JUNIOR HIGH CHEERLEADERS — Backing the Mighty Mice Junior high school teams this season with cheers are from left, Kayla Mehaffey, daughter of Mr. and Mrs. H. L. Mehaffey; Janice Cork, daughter of Mrs. Janie Cork; Melissa Madden, daughter of Mr. and Mrs. L. E. Madden; Patrice Moore, daughter of Mrs. Fred B. Moore Jr.; and Debi Cary, head cheerleader, daughter of Mr. and Mrs. Robert Cary.

AMERICAN MOTORS INTRODUCES THE GUARANTEED CAR.

If anything goes wrong with one of our '72's and it's our fault, we'll fix it free. Anything.

AMERICAN MOTORS 1972 BUYER PROTECTION PLAN.

For years, car buyers in this country have been saying that instead of shiny new chrome every year, what they really want is a good car they can count on.

That's why American Motors and its dealers put together their 1972 Buyer Protection Plan. Here's how it works:

A STRONG GUARANTEE IN PLAIN ENGLISH.

When you buy a new 1972 car from an American Motors dealer, American Motors Corporation guarantees to you that, except for tires, it will pay for the repair or replacement of any part it supplies that is defective in material or workmanship.

This guarantee is good for 12 months from the date the car is first used or 12,000 miles, whichever comes first.

All we require is that the car be properly maintained and cared for under normal use and service in the fifty United States or Canada and that guaranteed repairs or replacements be made by an American Motors dealer.

This guarantee gives you 12-month or 12,000-mile coverage on a lot of things most car warranties don't. It covers air conditioning, battery, radio, wiper blades, front end alignment, light bulbs—literally everything we put on the car except tires.

In other words, if something we did goes wrong with one of our '72's, you won't have to pay for the parts or the labor. We will.

A MORE THOROUGHLY-CHECKED CAR. FROM THE FACTORY AND THE DEALER.

Naturally, we wouldn't be backing our cars like this if we weren't more sure of them than

we've ever been before. For 1972, we've put in more quality control steps, more tests and more people to see that every car leaving our factory is as perfect as man and machine can make it.

At the dealer's, it's checked over again.

Every car (not one of 50, one of 5, every one) is road-tested for starting, handling, braking and overall performance. When the serviceman completes the test, he signs his report and slides it over the sun visor, where you can see it.

And, when a man signs his name to something, you can be sure he's done his job. And done it right.

A LOANER CAR WHEN YOU NEED IT. FREE.

Not only do we offer you a strong guarantee, we've set up a system to back it up without inconveniencing you.

If you have to leave your '72 overnight for guarantee repairs, over 2,000 dealers will loan you one of their cars.

A nice, clean, well-equipped car in good condition. Free.

A DIRECT LINE TO DETROIT. TOLL-FREE.

We're making some big promises, and we fully intend to keep them. But, just in case you have a problem, we have a way of handling it. When you buy a '72, you get the name and toll-free number of a person in Detroit.

If you call, we promise you you'll get results. And fast.

These aren't just fancy words.

We mean it.

Nobody in the business does as much for you after you buy a car, and it takes a lot of time, men and money to do all these things.

But we think it's worth it.

Since we're giving American car-buyers exactly what they say they want, we should sell more cars than we've ever sold before.

American Motors

STARTING TODAY, THESE AMERICAN MOTORS DEALERS WILL DO MORE FOR YOU AFTER YOU BUY A CAR THAN ANY OTHER DEALER IN TOWN.
